

Lutheran Family Services in the Carolinas

Since 1976, LFS Carolinas has served the Carolinas' most vulnerable people. We provide safe haven for children in crisis, adults with special needs, refugees, and individuals and families at risk of becoming homeless or struggling to recover from man-made or natural disasters. We offer accredited programs that promote healing and wholeness and collaborate with faith and civic organizations, other human service providers and government agencies.

As a social ministry organization of the Evangelical Lutheran Church in America, we respond to Christ's call to serve all people, regardless of race, national origin, orientation, religion or creed.
